SPRING 1 23/24

Dear Parents/Carers

Thank you for all your continued support over this past term. It has been a busy one in school. We have had our Christmas Concerts which were magical. There have been sporting events, music events, visitors in school as well as the normal day to day learning that we provide for all our children.

A special mention and a huge thank you to our School Association who have been working tirelessly across this term with their fundraising efforts which culminated last week in the Christmas raffle prize draw; huge thanks to all involved in making this happen and congratulations to the lucky winners! On behalf of all the staff at Marown I would like to wish you all a happy Christmas and a safe and healthy new year. Mr Longshaw

### Happy New Year!

We hope you all enjoy a relaxing break. We want to thank you for all of your support with the Christmas activities. We would also like to thank the MSA for all the work they carried out in preparation for the Christmas Fair and in organising the gifts for the children.

### Headteacher

Sadly, next half-term will be the last for Mr Longshaw. From the start of the Spring Term, Mrs Jackson will take up the Headteacher role each Monday, before starting as full time Headteacher from Monday, 26th February.

### Spring Disco

The MSA will be hosting the Spring Disco on Thursday, 15th February. Many thanks to them for their continued hard work.

### School Dinners

School dinners for the next term are at a cost of £2.35 a day. For the half term £70.50 and for the full term £126.90.

### Reception Intake

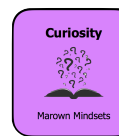

We are due to submit our predicted numbers for the intake of Reception pupils for September 2024. If you have a child (or know of anyone who has a child) befitting this age group who have not yet registered, forms are available from the school office.

### Car Park

To ensure the safety of the children, please reverse into the spaces provided, turn off engines and ensure you and the children make use of the path around the edge when accessing vehicles. Children should not be walking across the car park space at any point. We request, during busy periods, that you remain patient and respectful.

### Ancillary Posts

We have been asked to inform you that the department of Education, Sport and Culture are looking to add to their Lunchtime Ancillary Relief Pool. If this is something you might be interested in, please do get in touch.
