

Marown Primary School

Fostering creativity and curiosity within a fair, safe and respectful community

Dear Parents and Guardians,

Welcome back to the Summer Term. After all the rain we have had recently, I really hope we have a pleasant summer.

Wow! What a fantastic first four weeks I have had at Marown School. I have thoroughly enjoyed getting to work closely alongside Miss Davies whilst getting to know the children, staff and to also meeting some of our supportive parents during February's Parent Evening. Although last half term was just over four weeks long, it was certainly very busy and productive. You may have noticed that I have been seeking to freshen up the school environment and so far we have managed to paint the lower corridor, the Staff Room, the front entrance, and we are about to paint the Library and begin refurbishing the current Reception classroom and shared area. I cannot wait to get the rest of learning environment in 'tip top' condition for our children so that we will then be in a position to have an annual rolling programme in place in terms of refurbishment. Thank you to Dave and our wonderful Caretaker Jemma for your hard work with this.

The Lead Learners (led by Miss Redfearn) have been liaising, behind the scenes with their peers to consider the types of outdoor areas they would like to have access to. They have considered three outdoor learning zones; Zone 1 (where the current play equipment is), Zone 2 (the Reception and Year 1 outdoor area) and Zone 3 (the School Garden). The children have generated three 'mood boards' full of ideas and these will be presented to the MSA at the next meeting. Once everyone is in agreement, we will look to get the funds required raised in order to get the project moving.

It goes without saying, if you every have any queries or concerns do not hesitate to get in touch with your child's class teacher in the first instance.

Best wishes,

Mrs Anna Jackson

Venture Centre:

I thoroughly enjoyed accompanying the Y5 Trip to the Venture Centre last week. A big thank you to Mr Nation for organising and to Miss Redfearn and Mrs Cox for also coming along for the ride! We all had a wonderful time and the children were an asset to the school.

Inter-schools cross-country competition:

Marown were the overall winning team, 1st Girls Team and 3rd, 4th and 5th individual results in the Girls race! Absolutely amazing!!! Well done to all the children, you worked very hard for this, special thanks to our amazing reserves who stepped up too! Thank you! Also, thank you to all the parents and family members for all the support and help during the afternoon. The children did themselves and us proud! Well done again.

Football: Well done to our Year 5/6 Girls Football Team. They played brilliantly during all their matches and were fantastic representatives of Marown School. We were only beaten in one game, and that was to the overall winners of the competition!

World Book Day:

Thank you for all your efforts with the children's costumes this year! The children looked great.

MSA Events:

A huge thank you to all of our very hard working MSA Team. The mother's Day Shop, the disco and the generous donation of the Easter eggs for our children were gratefully received. We even managed to get the Easter Bunny to visit school to deliver them. The children loved him.

Cutlery amnesty! We are missing a lot of cutlery from our kitchen. Can you please check your drawers at home in case any child has borrowed any, and please return it to the office!
