Fostering creativity and curiosity within a fair, safe and respectful community

Spring Term 2025 1/2

Dear Parents and Pupils,

I trust you all had a wonderful Christmas break and wish you all a very happy and healthy 2025. I would like to take this opportunity to thank all of our children and teachers for our amazing Christmas Concerts, the standard was excellent and they were a real pleasure to watch.

Please take the time to look at the key dates for this half term on the reverse. Our Parent Forecasts should already have been sent home to you with the key learning themes for this this half term. We are having a whole school topic this half term with the focus being the 40th Anniversary of our current school building and a closer look at what life was like in the year 1985. If like me, you are old enough to remember this era, we will be asking parents to come into class later in the half term to compliment the children's learning with 'primary sources of evidence'! Further details will be sent out shortly. As always, if you ever need anything please do not hesitate to get in touch with the School Office.

Kind regards, Mrs Jackson.

Christmas Trees! Make a bauble and donate a bauble.

Thank you for all the contributions of baubles, the efforts the children put into making that was superb. I am sure you will all agree that the real Christmas Trees looked beautiful.

Christmas Fair. The MSA held another brilliant Christmas Fair this year. We hope you all had a fun night and thank you for supporting this event.

Spring Disco. The Spring Disco will be organised once again by our wonderful MSA and this will take place on 13 February, more details to follow.

School Dinners.

For this next half term, school dinners will cost. £2.55 per day, £76.50 for this half term. The price for the whole of the Spring Term will be £153.00

Retirement.

On the last day of term, we said farewell to a long serving member of staff, Mrs Kermode. I would like to take this opportunity to thank her once again, the many, many years of commitment and for everything that she has contributed to school life here at Marown School, we are all eternally grateful. I wish Mrs Kermode a happy and healthy retirement.

Car Park.

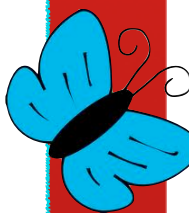

Last week, I had a parent come the School Office to share that they had very narrowly missed knocking over a child who had ran out of school from the path straight into the playground (where the cars park at the end of the day). I have requested that a barrier be installed to separate the path from the playground, but it is likely that this could take some time. Please do be vigilant and drive with extreme caution both during pick ups and drop offs and **ensure children make use of the path around the edge of the car park/yard and do not cut across.**

School Garden.

Work has begun on clearing the School Garden in preparation for the refurbishment of it. If you have green fingers or have any spare time to help with this project, please do get in touch with Mrs Kneale our Site Manager who will be co-ordinating this going forward.

New Reception Starters - September 2025.

It won't be long until we have to submit our new intake numbers to DESC. If you have a child or know of anyone with child within our catchment, please contact the School Office ASAP and complete the appropriate forms.

Key Dates

Monday, 6th January	Spring Term Starts
Monday 20th January	Community Police Lessons
Tuesday 21st January	Community Police Lessons
Tuesday, 28th January	Isle Listen KS1 Sessions
Tuesday, 4th February	Year 6 Maths Olympiad
