

Marown Primary School

Fostering creativity and curiosity within a fair, safe and respectful community

Outdoor Areas

Plans to develop the outdoor areas continue. The MSA provided an updated just prior to the Easter Holidays. Thank you to Lyndon Cheetham for clearing out the garden area over the holidays. If anyone would have the skillset to put pen to paper and design a proposed new layout, please do get in touch.

Y5 Residential

Year 5 had their overnight stay at the Venture Centre last week and a fantastic time was had by all. A huge thank you to Mrs Crouch-Blacker for organising and to the staff and parents who supported. I know the children will have made memories that will last a lifetime. Y6 are off on their exciting adventure next month.

Trips & Visitors

Our classes have had some exciting school trips so far this academic year. Recent adventures include; Our Lead Learners enjoying a very special visit to Government House last month. A big thank you to His Excellency and Lady Lorimer for their kind hospitality. Y3 also went to watch the Minecraft Movie at the Cinema, this complimented their 'What Makes a World a World?' topic beautifully. Our Y6 class had a fantastic time at STEMfest, thank you to all the employers who took part, we hope it was thought provoking for the children.

This term we all be having visits from Rockidz and by Peter Quirk the Viking!

School Dinners

As we approach the end of the academic year we have a number of accounts that remain in arrears from school dinners. Please ensure the balance is cleared prior to the last day of term.

Vandalism

We sadly had three roof windows smashed by vandals who were on our school roof at the start of the Easter Holidays. This has caused considerable damage to the staff toilets. Please can we ask you to be vigilant during the evenings and report anyone seen on the school roof to the police.

Parent Governor

I am delighted to inform you all that Carly Craine as been reappointed as our Parent Governor.
